

**1 Full Time Position Available
Clinical Manager/Registered Nurse**

Job Summary

The Clinical Manager is involved in the recruitment, hiring and supervision of the Allied Health Professionals at all sites of the Upper Canada Family Health Team.

The Clinical Manager provides leadership in development, implementation and evaluation of programs and support, ensuring the goals and objectives for each program are met.

The Clinical Manager monitors, manages and oversees the planning, coordination and administration of each program, ensuring adherence to the UCFHT standards, guidelines, policies and procedures.

The Clinical Manager is available to provide front line nursing services to patients (such as the development of coordinated care plans, or cognitive assessments as part of the Memory Clinic Team) as part of their weekly work assignment

Qualifications

- Bachelor of Science of Nursing
- 5+ years experience working in a clinical or healthcare setting.
- Excellent written and verbal communication skills
- Demonstrated teamwork, leadership and supervisory skills
- Excellent organizational, and problem-solving skills
- Ability to work independently and in a team environment
- Certification in Mental Health an asset

Working conditions

- Non-standard hours of work
- This position requires work outside of the office environment
- Use of a personal vehicle is required
- A valid driver's license is required

The Clinical Manager will be based out of 100 Strowger Blvd., Brockville and 25 Mill Street, Gananoque. This is a full time position. Salary and benefits to be negotiated based on experience.

The Upper Canada Family Health Team has a Mandatory Vaccination Policy which requires all employees to be fully vaccinated against COVID-19 and provide proof of vaccination as a condition of employment.
